PANKS, GOULD & CO. have just published, and for sale, THE AMERICAN CHAN CHANDIGERY DIGEST. In a vais, Third edition. A new and complete Equity Digest of American Law, By Thoa, W. Waterman, of the New York bar. This work is designed to be a complete encyclopadia of American Legal Science. Containing, as it does, all the reported decisions in Equity of the United States Courts, and of the Courts of the several States of the Union, from the earliest period to the present time, it embodies almost every known principle of law, it is believed it will be found the most valuable work of the kind ever published in this county. Though ostensibly the Third Edition of the American Chancery Digest, it is an entirely new work; not only the plan and arrangements being new, but a very large proportion of the materials also. The decisions have, in every instance, been carefully read, and the spirit of them taken, with proper regard to accuracy and to their true meaning. Beside the usual matter, the work contains valuable explanatory notes, and a copious handers, giving in brief the spirit of every decision; also, an introductory essay upon the nature, power and functions of the Court of Chancery, and the history of that Court, in England, and in each of the American States.

B. G. & Co. have become the proprietors of JOHNSON'S LAW REPORTS, 20 vol. and JOHNSON'S CHANCERY REPORTS, 7 vols. They will supply the trade and the profession with sets, or any volume to complete sets. j31 it STRINGER & TOWNSEND, 222 Broadway, N.Y.
